Launch your career with Apprenticeships

Apprenticeships are a great way for school leavers to start their working life. They provide employment, training and progression opportunities: all the essential ingredients to build a career. **Liverpool City Region** employers are recruiting apprentices to help boost their businesses after Covid-19. There are many **Apprenticeship** opportunities for school leavers available right now.

Liverpool City Region Apprenticeship providers are open for business and fully equipped to help school leavers find **Apprenticeship** opportunities with local employers. They are recruiting and training apprentices both virtually, and face-to-face in line with Government safety guidelines.
