Launch your recovery with **Apprenticeships**

Whether you're hiring or developing existing staff to have new skills, **Apprenticeships** are the perfect **launchpad** for post-lockdown recovery. Up to 100% funded and used by thousands of regional employers, they are a tested and futureproof solution for **powering** your workforce.

Liverpool City Region Apprenticeship providers are open for business and fully equipped to help businesses recruit and train apprentices both virtually, and face-to-face in line with Government safety guidelines.

For more information about how **Apprenticeships** can help your business, visit www.gov.uk/take-on-an-apprentice
